Admission to National Trade Certificate Course: Session 2022-23/24

2nd WAITING LIST – All TRADES

The following candidates are kept in the 2nd *Waiting List* for admission tentatively under **the trades mentioned**. The Waiting List merit is given beside the Registration Number. The candidate should **report at the institute on 26st July at 11 am** for counselling and get admitted in any choice of trade in which he is eligible on the day. However, he can also choose any other trade where seat is available at the time of counselling after the others have exercised their choices. After admission within one month if there is any vacancy the candidate may get a chance for change of trade to any other preferred choice.

(Waiting list no. means the order of merit in that trade)
